

MAK FIRES - Realistic and Portable Training Systems for Forward Observers (FO), Delivering Effective Call For Fire (CFF) Training at the Point of Need (PoN).

MAK FIRES Deployable Instructor & Student System

P/N: **MAKFIRES-DEP**

Students train one-on-one with an instructor or practice independently with the Simulated Fire Direction Center (FDC). MAK FIRES with speech recognition technology lets FOs get in their 'reps and sets' at the armory, at home, or on the go.

- ⚡ 1 Instructor laptop computer
- ⚡ 1 Student laptop computer
- ⚡ 1 handset for Student station
- ⚡ 1 headset for Instructor station
- ⚡ 6 training scenarios
- ⚡ 1 terrain (National Training Center (NTC))
- ⚡ 1 portable case – to easily deploy at the PoN
- ⚡ Train the Trainer course
- ⚡ 1 Year hardware warranty
- ⚡ 1 Year virtual support

MAK FIRES Deployable Instructor & Mixed Reality Student System

P/N: **MAKFIRES-DEP-MR**

Students train one-on-one with an instructor or practice independently with the voice activated simulated FDC — with the option to use Mixed Reality (MR) head-mounted display for immersion into the simulated environment while maintaining real-world view of hands, accessories, and maps.

Includes MAKFIRES-DEP plus:

- ⚡ Student laptop is upgraded to a powerful desktop computer with monitor
- ⚡ 1 Varjo XR-3 head-mounted mixed reality display for fully immersive training
- ⚡ 2nd portable case

US & International Versions of MAK Training Solutions are available.

MAK FIRES Classroom Engages All Students to Participate in CFF Missions

MAK FIRES Deployable Classroom Systems:

Instructor-led individualized training for students in a classroom environment. Each student is provided a tablet to communicate data and receive feedback so that everyone is learning while a chosen student is calling their fire solution.

Available in three configurations:

MAK FIRES Classroom for 8 students

P/N: MAKFIRES-CL-8

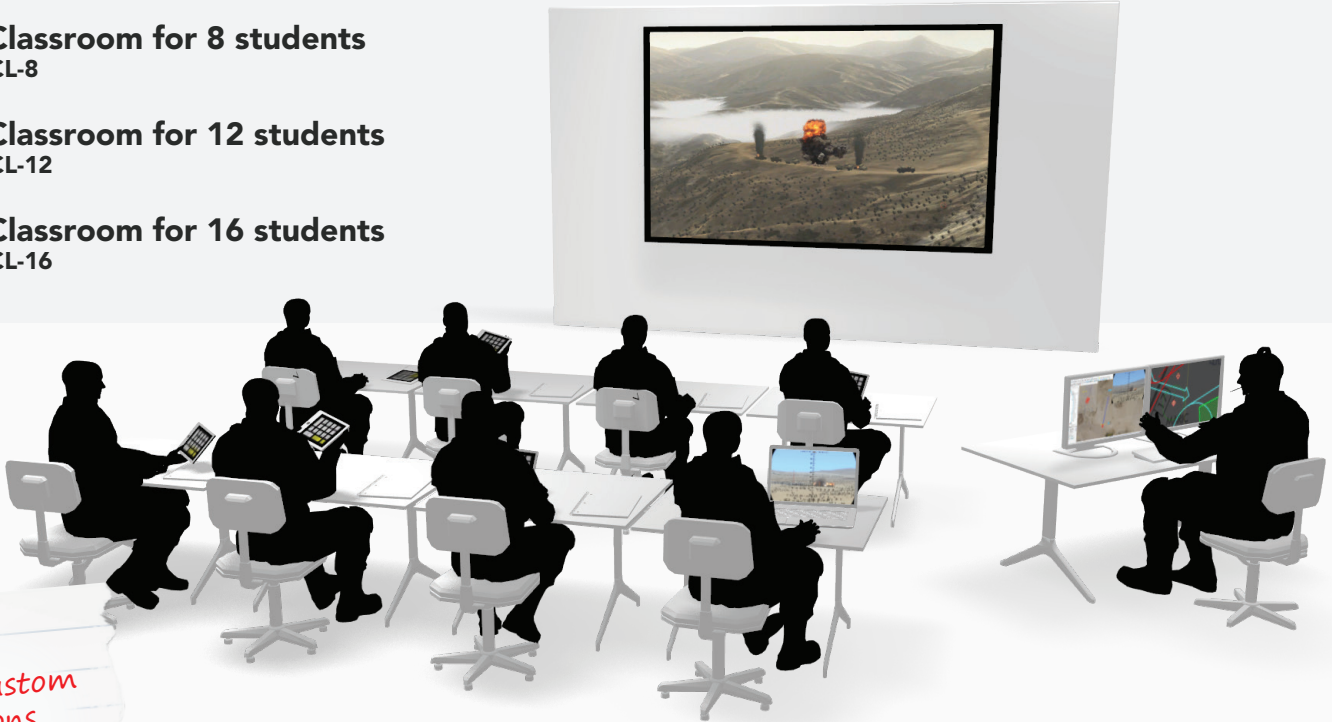

MAK FIRES Classroom for 12 students

P/N: MAKFIRES-CL-12

MAK FIRES Classroom for 16 students

P/N: MAKFIRES-CL-16
