About The Fundraiser

MAK Technologies is proud to participate alongside the National Guard Association of Michigan in its "54 service dogs by 2024" campaign to support our nation's veterans by providing them with service dogs. MAK has committed to raising \$50,000 for two highly-trained service dogs – one for a veteran in need in Massachusetts, and another for a veteran in need in Florida, reflecting the locations of our two corporate headquarters. Any donations raised beyond the initial \$50,000 will go toward the purchase of another service dog.

The Dogs for Vets and 54 by 24 Campaign will run through August of 2024 – we will host fundraising events all along the way, but please donate anytime!

Service dogs save lives, and every donation gets us closer to helping save a life.

2nd

leading cause of death
in veterans under 45.

20

veterans die by suicide
a day.

125k+

veterans have died by
suicide since 2001.

0

recipient suicides after
receiving a GAMSD
service dog.

Why it's Important

Service dogs save the lives of our veterans.

Roughly 20 veterans die by suicide every day, and we want to help change that. Trained service dogs have been proven to have significant and long-lasting benefits for veterans who are suffering from PTSD. MAK has partnered up with the National Guard Association of Michigan, NGAM, and the Guardian Angels Medical Service Dogs, Inc., GAMSD, to provide service dogs to two veterans in need, to help lower the statistics surrounding veteran suicide and elevate the live.

Since their start in 2010, Guardian Angels Medical Service Dogs has provided over 380 service dogs to recipients in need, free of charge. They rescue, raise, and train the highest caliber medical assistance dogs to pair with individuals afflicted by disabilities. After 12 years of pairing highly-trained service dogs with veterans in need, the suicide rate in recipients of a Guardian Angels Medical Service dog is zero.

Topgolf Orlando

22 June 2023 6:00 PM - 9:00 PM

9295 Universal Blvd.
Orlando, FL

(407) 218-7714

The first annual Dogs fore! Vets TopGolf Fundraiser will take place in Orlando, FL during the week of NTSA's 2023 Training & Simulation Industry Symposium (TSIS) in hopes that the modeling and simulation community will come together to support our veterans. Features of the event include:

- Access to high tech golf bays
- Best in class instruction and bay assistance from trained Topgolf instructors
- Competitions elevated by live tournament leaderboards
- Complimentary food buffet and drink tickets per guest
